

Sustainability 2010

IDENTIFYING BUSINESS OPPORTUNITIES IN THE SUSTAINABLE SUPPLY CHAIN

13th MAY 2010 9.00 - 15.30

JOHN INNES CENTRE, NORWICH RESEARCH PARK, COLNEY, NORWICH NR4 7UH

www.sustainability2010.co.uk

**FREE TO
ATTEND**

booking advisable

Lead sponsors:

Norfolk Ambition

The sustainable community strategy for Norfolk, 2003-2023

The County Economic
Development Partnership

Supported by:

THE PRINCE'S
MAY DAY
NETWORK

We are running a three track programme to give specific information that will add value to your business.

Track 1 Supply Chain Opportunities

Track 2 Trends in Energy – Oil, Gas, Wind and Nuclear

Track 3 Greening – Practical Solutions

A must-attend event where you can find out what sustainability means to your business – such as

- Identify new business opportunities in the sustainability supply chain
- Hear local case studies driven by national organisations
- Seize immediate cost savings for your business

**make the change...
protect the earth**

The pressure is on these days to make positive steps to reduce our carbon footprint and generally to be a greener society. We now have FSC accreditation meaning that you can show your customers your concern for the planet and it's people, by having the FSC mark of responsible forestry on your print - at no extra cost to you.

We're doing our bit, to help you do yours!
